In Time Tec provides software solutions to manage IT services, enabling organizations to streamline and automate IT processes, ensuring efficient service delivery, incident management, and support.

CORE COMPETENCIES

We provide efficient IT service management, proactive monitoring, incident resolution, comprehensive support, robust security, and aligning IT services with business goals to ensure operational efficiency and user satisfaction.

WHAT WE PROVIDE

FULLY MANAGED IT SYSTEMS

Improving IT service quality, aligning IT with business objectives, and enhancing user satisfaction.

IT SERVICE MANAGEMENT

Additionally, we offer managed IT services, overseeing and maintaining a client's IT infrastructure and end-user systems remotely.

BACKUP & DISASTER RECOVERY

We provide proactive monitoring, support, security, and disaster recovery, ensuring operational efficiency and minimizing downtime.

HELPDESK MANAGEMENT

IT help desk management involves overseeing the support services provided to users, ensuring the efficient resolution of technical issues, and maintaining system functionality.

HOW WE DO IT

We leverage onshore and offshore resources to optimize service delivery and cost efficiency.

Onshore teams handle high-level strategy, client interactions, and tasks requiring deep understanding of local regulations and business contexts.

Offshore resources provide cost-effective support for routine operations, such as monitoring, helpdesk, and basic maintenance, utilizing time zone differences to offer 24/7 coverage.

CERTIFICATIONS

WHAT OUR CLIENTS SAY

With any business relationship, you've got to know each other. I think In Time Tec is very unique about how they want to work with somebody and how they want to get to know someone. They are willing to put risk on themselves first and build the partnership and the trust.
