Connect
Remark Test Grading
to HP Workpath

Save time by accessing software solutions directly from your MFP.

Marketplace Conditions

- Educational and business applications are moving to the cloud.

- Multifunction devices are becoming more intelligent and extensible.

- Additional endpoints to cloud connectivity are simplifying workflows and increasing productivity.

Target Customers, Markets, & Opportunities

- Users of Remark Test Grading, such as administrators and teachers.

- K-12 and higher education institutions.

- Online tutors.

- Corporate recruiters.

Key Product Features

- Easy access to Remark Test Grading directly from HP MFPs.

- Print, scan, and upload test answer sheets with details directly from the printer panel for grading.

- View instant grading with the OMR (Optical Mark Recognition) feature.

- Email graded test reports directly to students from the printer panel.

"The Cost Per Device Seems High..."

- The app only needs to be installed on devices using Remark Test Grading.

- Time is money, and the time saved more than covers the cost of the app.

in time tec

In Time Tec offers HP Workpath to streamline document workflows by connecting multifunction printers with key business apps, boosting efficiency and productivity.

Without HP Workpath...

The alternative is the multi-step process outlined below:

1. Scan to email test answer sheets.

2. Move attachments to the appropriate folder.

3. Login to Remark Test Grading account.

4. Upload test answer sheets for grading.

5. Email test reports.

Customer & Segment Specific Propositions

- Simplify workflows for your Remark Test Grading users by allowing them to execute key tasks directly from HP MFPs.

- Scan to and print from your Remark Test Grading account with ease - no computer or mobile device required.

- Grade and share test results faster.

- Avoid completing tasks back at your desk through simple steps at the printer panel.

- Take full advantage of the capabilities of your HP MFP.

Benefits

Security & Accuracy

- **All transactions with scanned documents take place within Remark Test Grading.**

- **Removes the need to store files on a laptop, desktop, or email inboxes.**

- **Removes several steps and the potential for human error during those steps.**

Cut Your Time by 70%

- **Go from paper to email test reports shared from your HP MFP.**

- **Remove the need to move back and forth between printer and desk to manage test sheets.**

- **Save 50% of the time previously required to grade and distribute test results to students.**
