Connect
Canvas
to HP Workpath

Save time by accessing software solutions directly from your MFP.

Description

Connect to Canvas is a dedicated application for educators, administrators, and students. Users can securely scan important documents directly into Canvas and print using any HP Workpath-enabled MFP.
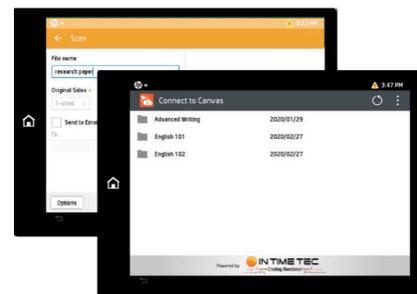

Key Product Features

Multi-user Role Login

Users can login to the application as a teacher, student, administrator, or manager. After logging in, they can scan or print any file attachment directly from the MFP control panel.

Scan and Print Directly from "My Files"

Users can upload or scan documents directly to "My Files" using the Connect to Canvas app.

Print Files from the Course Module & Assignment

Users can choose courses or assignments and print files instantly using the Connect to Canvas app.

In Time Tec offers HP Workpath to streamline document workflows by connecting multifunction printers with key business apps, boosting efficiency and productivity.
