Connect
Outlook 365
to HP Workpath

Save time by accessing software solutions directly from your MFP.
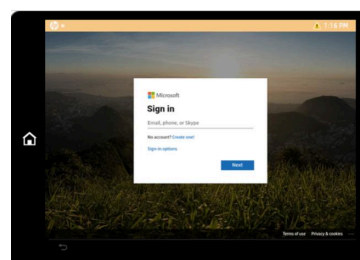

Description

Connect to Outlook 365 is a dedicated application that allows you to simplify your workflow. Using the HP MFP interface, you can easily scan files and send them using Outlook. Setup is easy, as the app integrates with existing authentication and tracking infrastructure.

Key Product Features

Multi-user Role Login

Individual users can login using their Outlook 365 credentials. This allows access to any Outlook file attachment from an HP MFP.

Directly Scan and Email

Users can scan files up to 4 MB, attach the file in Outlook, and send it to stored email addresses.

in time tec

In Time Tec offers HP Workpath to streamline document workflows by connecting multifunction printers with key business apps, boosting efficiency and productivity.
