Connect
Remark Test Grading
to HP Workpath

Save time by accessing software solutions directly from your MFP.

Description

Connect to Remark Test Grading is a dedicated application that allows teachers and administrators to more efficiently handle test sheets, helping them accomplish more with easier grading, scanning, printing and emailing.

Key Product Features

Admin or Teacher Login

With an admin or teacher Remark account, users can access classes, tests, and students directly from the HP MFP control panel.

Print and Scan Test Sheets

Users can quickly distribute OMR test sheets by directly printing them. Tests can then be scanned and graded by collecting the bubbled OMR answer sheets.

Email Grades to Students

Users can eliminate handling stacks of student tests and avoid potential grading errors by emailing graded tests directly to students.

in time tec

In Time Tec offers HP Workpath to streamline document workflows by connecting multifunction printers with key business apps, boosting efficiency and productivity.
